Anil Ltd's net falls 1% in Q2

AHMEDABAD, NOV. 15:

Agro and food processing company Anil Ltd on Friday reported a 1 per cent decline in net profit although its revenues rose 13 per cent during the second quarter ended September 30 compared with the corresponding period last fiscal. While the revenues were Rs 197.5 crore (Rs 174.6 crore), net profit stood at Rs 10.9 crore (Rs 11.05 crore).

Amol S. Sheth, Chairman and Managing Director, said the net profit margin is likely to improve in the coming months as the Ahmedabad-based company expected reduction in various costs which have been high since the last few quarters.

The demand is also likely to pick up substantially from the second half of the current fiscal, he said in a press release.
