### **PRESS RELEASE**

The earnings per share (EPS) in the current first quarter was Rs. 12.15 as against Rs. 11.72 in the previous year's Q1.

Shortfall in rains due to delayed monsoon is likely to make new quarter challenging yet Anil Limited will continue to focus on introducing value added products for new end-user industries that will help to expand customer base as well as allow the company to remain an R&D and technology intensive entity. This reflects the company's capability to adapt new measures at a time when the global economy is passing through pressures of a slowdown.

### **ABOUT ANIL LIMITED:**

The Rs. 646 crore Anil Limited is the flagship company of the diversified Anil Group, headquartered at Ahmedabad. This agro and food processing company is a leading player in the Indian Corn Wet Milling industry having robust manufacturing infrastructure, R&D and application development capabilities. Anil Ltd. is also the majority shareholder in the Group's upcoming Mega Food Park venture near Vadodara – this will be the first of its kind in the state of Gujarat. The company is listed on the Bombay Stock Exchange (BSE) – its sales have doubled between FY2008 and FY2011, while net profit has shot up by over five times during the same period. The focus on introducing value-added products and emphasis on exports, during the same period, allowed Anil Limited to expand its product reach to more than 35 countries across the globe.

Anil Limited is a part of Anil Group of Companies which has diverse portfolio of businesses including Biotechnology, Feed Ingredients & Supplements, Hospitality, Processed Food & Dairy products, Infrastructure, Garment Exports, Agro-commodities, Knowledge Systems and industrial Engineering.
